

# 7 Styles. Great features.

MainStreet consists of traditional styles with European roots: Clapboard, Beaded and Dutchlap. The Clapboard style is the most traditional and found in all parts of the United States. Beaded siding is very popular style for homes in the Southern Coastal regions. The Dutchlap style provides strong shadow lines and is highly popular in the Mid-Atlantic region.

## ...for safety.

STUDfinder™ is an installation system with letters on the MainStreet's panel nail hem to ensure proper nailing to wood studs, to protect you from unwanted dangers such as damaged pipes or wires, or exposed nails.

## ...for protection.

When installed with MainStreet siding, CertaWrap™ Weather Resistant Barrier is the added layer of protection against air and moisture damage.

## ...for peace of mind.

#### Warranty
