

VELUX®

The No Leak Skylight™

Why Skylights?

Daylight is powerful. It redesigns the look and feel of our home every hour of the day. It balances our Circadian rhythm, improves our general health and well-being, decreases our dependency on electricity, and gives functionality back to our space. We often ask, "Why skylights," but with endless reasons why you should install a skylight the question becomes more, "Why not skylights?"

The VELUX Solar Powered "Fresh Air" Skylight

When you pair natural light with fresh air, you open your home to a world of crisper, clean air and brighter days. Our customers have chosen the VELUX Solar Powered "Fresh Air" Skylight as the most popular skylight choice to install because of the all the benefits it provides to a space.

Go Solar and be eligible to receive a 30% Federal Tax Credit on product and installation.*

*Based on tax credit eligibility. For more information visit veluxusa.com/go-solar.

The VELUX Go Solar Option

A fixed skylight paired with solar blinds qualifies your product and installation for a **30% federal tax credit**.¹ A savings in most cases of \$730 on product and installation for a new skylight cut-in. See your sales agent for more information.

Includes fixed skylight, factory-installed solar blind, and a free VELUX ACTIVE with NETATMO Gateway + App¹

*Based on tax credit eligibility. For more information visit veluxusa.com/go-solar.

¹ VELUX ACTIVE Gateway not included with the Go Solar option for the VELUX Solar Powered "Fresh Air" Skylight.

The VELUX Sun Tunnel Skylight

Solar Night Light

Even the smallest spaces deserve to be filled with natural light. If your room cannot accommodate a traditional skylight, choose a sun tunnel skylight to light your space. Have the light you need even at night with the soft glow from the solar night light.

Go Solar and be eligible to receive a 30% Federal Tax Credit on product and installation.*
